Gentlemen:

The Department of Codes Administration and other required Metropolitan Departments has inspected the newly constructed single family residence with attached garage at the above location.

Through routine inspections and visual observations it has been determined that the work performed substantially complies with the applicable codes and ordinances of the Metropolitan Government of Nashville and Davidson County. Therefore, we hereby approve it for **Final Use and Occupancy**. However, granting of the **Final Use and Occupancy** in no way relieves the **contractors of their** responsibility for any work performed not in accordance with applicable codes and ordinances.

Thank you for your cooperation.

Very truly yours,

Manley Biggers, P.E.
Assistant Director
